

## 2025 END OF YEAR CELEBRATION:

Welcome to a weekend of celebration as we look back with gratitude and awe at all God has done in and through our church in 2025. Today, we celebrate more than numbers, we celebrate stories, lives transformed by the power of Jesus, and people stepping boldly into God's mission. Every number represents a soul reached, a family impacted, and a step of faith taken. CBC, we believe God has called us to change the world, and it starts right here in San Antonio as we live on mission for Christ together.

## HEART FOR THE HOUSE OFFERING:

The Heart for the House offering is a powerful moment in the life of CBC, an annual, over-and-above gift given across all of our campuses that represents faith, sacrifice, and vision for the future. This weekend, we unite as one house to give, believing God for what He is building among us. This offering marks a significant and miraculous step forward as God has opened two incredible doors at the same time: the opportunity to purchase our CBC Southside campus, declaring we are here to stay, and the opportunity to acquire land for a permanent CBC Northside campus that will serve generations to come. It will take \$8 million to step into these God-ordained opportunities, but like the Joash Chest in 2 Kings 12, this is our moment to respond with a one-time, sacrificial gift that says, "God, everything we have is Yours."
