

BE GOOD NEWS

**You can still join your CBC Family
and be good news to the people
and places God where God has you!**

Below are ideas of how YOU can good news to your neighbors, classmates, co-workers, gym friends, barista, or even a stranger. Let the Holy Spirit guide who and how you're being good news and sharing The Good News!

- Make a Sweet Move! Bake cookies or cupcakes for your office or teacher to show some sweet good news. Pair with a handwritten note and encourage them with words of truth and love.
- Practice Radical Generosity! Next time you're at the gas pump, surprise someone and pay to fill up their tank. Buy groceries for your neighbor who is elderly, a new foster mom, or just moved in. With this act, be ready for the "why" questions that may come up and be open to continued conversations.
- Share a Meal! Jesus often modeled for us how to be good news around a dinner table. Take someone to lunch or coffee, pay for their meal, and simply ask to hear their story or listen to how they're doing.
