Steps and Stones » Joshua 4

To Our Graduates,

To all our incredible graduates, whether you're stepping off the stage with a high school diploma, college degree, trade certification, CDL, or any accomplishment that required your grit and God's grace... **CONGRATULATIONS!**

You've put in the hours, pressed through challenges, and crossed a significant finish line. But more than a milestone, this moment marks a launching point. Wherever God is sending you next, whether it is into a classroom, workplace, mission field, or something still unknown, go with this truth: you don't just represent your achievements, you represent Jesus.

As you step into this next chapter, may your life echo the words of Colossians 3:17: "And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus." Be the light. Be bold. Be love in action. And never forget that your calling is not just about your career; it is about your character and your impact for the Kingdom.

And this weekend, you are in for a treat! Some of the people I love and admire most will be bringing the Word across all our campuses. We've got our amazing campus pastors, student pastors, and college/young adult pastors tag-teaming the message. These are men who live out what they preach and are passionate about helping the next generation rise up and lead well.

Proud of you. Cheering you on.
